EMPORIA NEWS. THE ASSESSMENT OF LYON COUNTY. The returns in the Clerk's office show the med every Friday in THE NEWS building, north following figures to be the assessment of property in Lyon county for the year 1871:

Townships. No. of Val. of Value propages acres. r. lots orty. Value Agues City, 18,251 6 63,231 77,726 77,726 77,726 20,255 77

ent one too low. At the rate of increase which we have heretofore had for several years, and adding to the list another railroad, our value. tion would have been at least four and a half millions. But we regard it as better that we should come down to a reasonable basis rather

than that we should have a fictitious valua. prices for their small grains. In comparing the figures with those of last 581; Elmendare, \$2,802; Fremont, \$18,096; Jackson, \$1,212; Waterloo, \$27,524, Agnes City township increased her valuation \$1,029;

Americus, \$20,490; Pike, \$11,800. OUR BASE BALL CLUB AGAIN TICTOR.

The Topeka Club Scooped.

The match game between the "Westerns," of Topeka, and the "Jayhawkers," of Emporia, on Friday atternoon last, was the best game ever pusyed in the Neosho Valley. The Westerns came here with a good deal of prestige, being an old club with a good reputation. Our "Jayhawkers" were only organized a couple of months since. A large crowd of

citiz as witnessed the game.

Everything was conducted in a fair and impartial manner. The Umpire, Mr. Burbridge, did his duty to the satisfaction of all. the Westerns and their friends felt conflient bring the crop to market, in consequence of that they would have an easy task to "take what are apparently low prices, but taking two-to-one. And it must be admitted that

When all was ready the Emporia boys went Prof. Goodenow, of the land department of first to the bat. On the first inning they made Our corn the M. K. & T. railroad, at Newsha Falls, was five runs. The Westerns, on their first inning, unquestionably be the large torop of this got all the bets on the above proposition, they wanted to take. It was at once evident that the game would be a close one. Our boys showed to good advantage. They made up in there will be a large surplus for export, leavely and the state of the country we hear, "never was there so large a yield." Estimates cannot yet be given, still it must be admitted that there will be a large surplus for export, leavely and the state of the country we hear, "never was there so large a yield."

The Westerns were kindly treated by our boys, and no doubt the Jayhawkers will meet with a hearty reception when they visit Topeka, where we hope they may meet with as good success as they have had so far.

We hope the good people of Emporia will take some interest in their base ball club, and will do all they can to give aid to it by demany years before. Prof. Hoss and family arrived Wednesday evening. The Professor proposes to proceed immediately to work for the fall term of the Normal School.

Geo. W. Martin, of the Junction City Union, has gone on a two months visit to his old Pennsylvania home. If it would not be considered out of the way, we should like to know who gave him the money to pay the expenses of such an excursion.

The Emporia Daily News has been appended. Of course it didn't pay, hence the good people of Emporia should not expect Mr. Stotler to furnish them with a newspaper every day, printed at his own expense. In our estimation, it would have been better if that daily had never been started. To the outside world its suspension looks like a retrograde movement, which will not reflect creditably.—
